

Harmony Arts Collective

Making the world a more playful place to learn

HARMONY ARTS approaches education with the understanding that multiple forms of intelligence and diverse learning styles exist. All paths lead to mastery. We encourage students to explore their range of intelligence. Our classes and workshops are playful environments where learning happens with motion and movement.

The position is meant to be enhanced by a teacher, who not only facilitates our Play + Learn classes and workshops but serves as a model of our *Required Competencies*.
